

BACHMAN'S™

May is for Planting Summer Annuals & Vegetables 2018

Grower-Direct Program

Group Name: Armatage

Seller Name: _____

ANNUALS \$2.50

Ageratum

A standard annual bedding plant and border edging. Compact and uniform. Full to part sun.

Wax Begonia, \$2.50

Mixed Colors

Wonderful, low-maintenance, low-growing, summer bedding plant. Fleshy leaves and stems, as well as flowers, come in different colors. They bloom continuously until a hard frost. Part sun to full shade

Coleus, Wizard Mix
The best for bedding and containers. Does best in part shade and moist, well-drained soil. Keeps hues right through the worst summer heat and humidity.

Dusty Miller
Silvery white foliage stands out in beds, borders, and containers. It offers a variety of textures to enhance almost any flower color. Handling drought well, it's useful in spring and summer, and tolerant of light frost. Full to part sun.

Dwarf Marigold, \$2.50
Orange, Yellow, or Mixed Colors
Ever popular, sun-loving. Easily grown and striking both in mass plantings and containers. Heat tolerant. Full to part sun.

Petunia, \$2.50
Mixed Colors, Purple, Pink, Red, White
Still one of the most popular and reliable bedding plants. Supply color in beds, borders, containers, and hanging baskets. Bloom prolifically all season in full sun.

Snapdragon, \$2.50
Dwarf Mix
Bushy, compact plants have closely spaced, full flower spikes in a full range of colors. Strong garden performance. Best performance in cool weather. Occasional deadheading will promote more flowering. Height 6-8 inches. Full to part sun.

Zinnia, \$2.50
Mixed Colors
Once the warmth of summer arrives, annual zinnias come into their own. Grown for their decorative, solitary blossoms, they are showy in sunny spots.

ANNUAL GREENS & FILLER
Dracena Spike \$5
An attractive foliage accent in mixed planters. Easy to grow plants that add height to the mix. Upright, green, grassy leaf blades.

Sweet Potato Vine, Chartreuse \$5
Outstanding for foliage color and texture, especially in mixed containers. Marvelous glowing chartreuse foliage; graceful and cascading.

Sprenger (Asparagus fern) \$5
Known for its soft, needle-like foliage. It can also add a feathery touch to outdoor plantings, particularly as a filler in hanging baskets and mixed containers in partial shade.

Vinca Vine, \$5
Variegated
A trailer in hanging baskets or other containers. Green leaves edged with creamy white. Sun to shade.

Geraniums 4.3" pot
Zonal Red, White,
Pink & Lavender \$6

This favorite of the home gardener and landscaper is the perfect plant for beds and containers. Low care, drought and heat tolerant. It carries masses of vividly colored blossoms above tidy foliage. Full sun.

Hangin' Basket 10"
Calibrachoa Mixed Colors \$25

A must have annual with hundreds of miniature flowers. It grows rapidly and blooms heavily spring through late fall, thriving in full sun, but tolerates light frost. Excellent, low-maintenance, easy to grow. Flowers and colors may vary from pictures.

Fuchsia \$25

Assorted Varieties
Grown for its unusual pendant blossoms that now come in a very large range of colors, flower sizes, and shapes. They prefer cool conditions and do not tolerate high heat, drought or high humidity. Shaded protected areas are best.

Geraniums \$25
Red or Pink

A hanging basket with abundant flowers and lush foliage. Low care, drought and heat tolerant. Full sun.

Petunia, \$25
Assorted Colors

A beautiful cascading variety. Produce masses of colorful flowers. Rich blossoms bloom freely. Tolerant of a wide variety of conditions. Part to full sun.

New Guinea \$25
Impatiens,

Assorted colors
Striking colored foliage and elegant blossoms in rich colors. Often more sun tolerant than other impatiens. They shine in the shade, bringing a bold look. Heat and cold tolerant.

Hangin' Basket 12"
Begonia Hybrid \$40

Luscious blossoms. Leaves complement the flowers which can trail below the basket or container. Outstanding as a summer bloomer. They prefer a lightly shaded site and require moist, but well-drained soil.

Combination

Produce an abundance of flowers, very showy. Quick and easy gardening for busy consumers, continuous blooming. Flowers and colors may vary from pictures.

Pastel colors. Blooming from spring to fall. Sun loving. Color and variety may vary from shown.

Bright colors. Blooming from spring to fall. Sun loving. Color and variety may vary from show.

VEGETABLES 4" pot

Tomatoes, Early Girl
Popular early tomato produces medium red fruit all summer. \$4

Tomatoes, Roma

Popular heirloom variety with plum-shaped, fleshy fruit. Very thick, juicy and nearly seedless; the perfect sauce tomato. \$4

Tomatoes, Sweet 100 \$4

Long branched clusters of round, bright red fruit all summer.

Peppers, Green Bell
Medium to deep green fruits ripen to red. Sweet pepper flavor. \$4

Peppers, Sweet Banana \$4

Fruit color is light yellow, ripening to brilliant red.

Peppers, Jalapeno

Small but assertive, green fruit that ripen to red. Medium hot at 2500-5000 SHU. \$4
