PERENNIALS

\$10

Astilbe, Visions in

Red (False Spirea)

Deep red buds open to fluffy pink-red flower panicles. Attractive bronze-green foliage. Performs best with filtered sunlight or afternoon shade. A low maintenance plant that's also deer and rabbit resistant.

Height - 15", Spread - 18".

Coral Bells,
Plum Pudding
(Heuchera)

\$11

White flower, ruffled, shiny deep purple foliage. Grow in rich, moist, well-drained soil. Small, delicate flowers grow on wiry stems above basal foliage. Heucheras are grown mainly for the foliage, not the flower. Purple varieties show their best color in partial shade. Full sun/part shade.

Height - 10", Spread - 12".

Daylily Stella De Oro
(Hemerocallis)

\$8

A low maintenance, long blooming plant with fragrant, golden-yellow flowers. A consistent rebloomer that's also heat and drought tolerant. Grows well in average soil.

Height - 15", Spread - 12-24".

Coreopsis,
Sunkiss (Tickseed)

\$9

Golden-yellow flowerheads are held above simple lower leaves and deeply lobed upper leaves forming a dense mound of foliage. Does best in light, well-drained soil. Long blooming if deadheaded regularly. Full sun.

Height - 14", Spread 15".

Dianthus,
Firewitch (Pink)

\$8

Single, bright magenta flowers over low-growing, deep blue foliage. Flowers are highly fragrant. Does best in well-drained, alkaline soil. Good rock garden or border plant. Full sun.

Height - 8", Spread - 12".

Daisy, Becky
(Leucanthemum)

\$9

White flowers with yellow centers borne singly above dark green, toothed foliage. Grow in average, well-drained soil. Long blooming. Deadhead to encourage reblooming. Full sun.

Height - 36", Spread 18".

Echinacea, Pow Wow
White (Coneflower)

\$9

Pure white flowers with a golden-yellow cone. Known for its compact, sturdy branching and plentiful blossoms. Grow in ordinary, well-drained soil. Heat and drought tolerant.

Height - 20", Spread - 16".

all come in 1 gallon pots

over for now!

BACHMAN'S™

Echinacea **(\$9)**
 Pow Wow Wild Berry
 (Coneflower)
 Cheerful pink flowers with a golden-yellow cone. Known for its compact, sturdy branching and plentiful blossoms. Grow in ordinary, well-drained soil. Heat and drought tolerant.
 Height - 24", Spread - 24".

Hosta, Patriot **(\$10)**
 Dark green leaves with wide, white margins and lavender flowers in summer. A vigorous grower that does best in rich, well-drained soil. Low maintenance and reliable performance in the landscape year after year.
 Height - 30", Spread - 22".

Salvia, May Night (Sage) **(\$8)**
 Dense, violet-blue flower spikes are held above dark green lanceolate leaves. Grow in moist, well-drained soil. Can repeat bloom in late summer. Trim to keep neat. Tolerant of drought conditions. Full sun.
 Height - 18", Spread - 15".

Gaillardia **(\$8)**
 Arizona Sun
 (Blanket Flower)
 This compact and uniform beauty will produce masses of fiery orange-red blooms surrounded by a ring of rich flame yellow. Does best in light, well-drained soil. Drought and heat tolerant.
 Height - 10", Spread - 10".

Hosta, Royal Standard **(\$10)**
 Large, deep green leaves with fragrant white flowers. A vigorous grower that does best in rich, well-drained soil. Low maintenance and reliable performance in the landscape year after year.
 Height: 24", Spread - 48".

Sedum, Autumn Fire **(\$8)**
 (Stonecrop)
 A sedum selection from Canada that looks like "Autumn Joy" but does not flop or split at peak bloom. A thicker more consistent plant with a nice look. Does best in ordinary, well-drained soil. Plants have fleshy, succulent leaves with star-shaped flower clusters. Drought tolerant. Full sun to part sun.
 Height - 18", Spread - 24".

Grass, Calamagrostis Karl Foerster **(\$11)**
 Medium green foliage in upright, arching clumps turns golden-yellow in fall. Flowers emerge green/red, maturing to golden-brown spikes 1½-2' above the foliage. Prefers full sun, will not bloom well in partial shade. Does best in moist, well-drained soil.
 Height - 48", Spread - 30".

Rudbeckia, Goldsturm **(\$9)**
 (Black Eyed Susan)
 Yellow-gold flowers with brown centers above dark green lanceolate leaves. Full sun and will tolerate partial shade. Grow in ordinary, well-drained soil. Tough, long-blooming perennial. Good for massing or in a large border planting.
 Height - 30", Spread - 18".

Veronica, Royal Candles **(\$9)**
 (Speedwell)
 Violet-blue flowers on a compact mound of green, oblong leaves. Grow in ordinary, moist, well-drained soil. Flowers grow on spikes held above the foliage. Deadhead to extend bloom period. Full sun.
 Height - 15", Spread - 15".

Forms are due: May 9th
