Monday Classes

<u>Grade</u>	<u>Class</u>	<u>Cost</u>	<u>Teacher</u>	<u>Enrollment</u>
--------------	--------------	-------------	----------------	-------------------

1 – 2	Sports for Squirts	\$50	Richard/Rachelle	15
--------------	---------------------------	-------------	-------------------------	-----------

Hang out after school to play your favorite games and sports with your friends. We like to mix it up with soccer, kick ball, dodge ball, ships across the ocean, freeze tag, pin guard and others. Students will learn games to improve their skills. Come ready to work as team and have fun!

1 – 5	Beginning Scratch Coding	\$60	Alex Hilden	15
--------------	---------------------------------	-------------	--------------------	-----------

Welcome to the world of Scratch! Learn basic programming skills, drawing techniques, and game design, and use them to build your own game! This class is intended for students that have never used Scratch before, or are not comfortable with their ability to use basic coding.

1 – 3	Ukulele	\$75 (class only) \$125 (class + Ukulele)	Dean Johnson	8
--------------	----------------	--	---------------------	----------

This class is full of learning and laughter as we discover the simplicity and joy of playing the Ukulele. Each week you will build on skills, chords, and songs. Have a special song you want learn to play? Bring ideas and we will see what we come up with! ***Note: This class ends at 3:15pm. Pick up at main entrance.***

3 – 5	Games with Jean	\$70	Jean Avecilla	10
--------------	------------------------	-------------	----------------------	-----------

We will have fun learning about teamwork and sportsmanship while playing games! No electronic games here...only real people to play with and against! We'll learn how to play classic board games and card games together. Some games include Backgammon, Chinese Checkers, Kerplunk, Bingo, Green Eggs and Ham, and Othello. Come join us for some fun!

4 – 5	Arts & Crafts	\$65	TBD	12
--------------	--------------------------	-------------	------------	-----------

Come create your own craft project each week! Share ideas, help plan, and problem solve as we complete our projects. Make sun catchers, slime, sew pillows and more! This class is your canvas. Come see what we have up our sleeve this spring!

4 – 5	Rocketry	\$65	Bruce Bonine	8
--------------	-----------------	-------------	---------------------	----------

Boys and girls would you like to have some fun and learn to build rockets? If you do this class is for you! This is a hobby that you can enjoy all your life. Bruce will help you navigate the construction of your own rocket that we will launch on the last day of class!

Wednesday Classes

<u>Grade</u>	<u>Class</u>	<u>Cost</u>	<u>Teacher</u>	<u>Enrollment</u>
--------------	--------------	-------------	----------------	-------------------

1 – 2	Games with Jean	\$70	Jean Avecilla	10

1 – 5	Beginning Scratch Coding	\$60	Alex Hilden	15
--------------	---------------------------------	-------------	--------------------	-----------

Build upon your Scratch skills as you learn programming logic. Fine-tune your current creations, and work with other students to build new projects with complex coding and design. This class is intended for students that are both familiar and comfortable with using Scratch.

1 – 3	Arts & Crafts	\$65	TBD	12
--------------	--------------------------	-------------	------------	-----------

Come create your own craft project each week! Share ideas, help plan, and problem solve as we complete our projects. Make sun catchers, slime, sew pillows and more! This class is your canvas. Come see what we have up our sleeve this spring!

4 – 5	Theater	\$60	Shannon Gleason	8
--------------	----------------	-------------	------------------------	----------

Let your light shine! We will sing, act, and move our bodies as we gain confidence and comfort on the stage. Develop your skills as we practice a show, culminating in a short performance!

Minneapolis Community Education Youth Enrichment Program Policies

Health and Medical

School Health Services are not available during Before or After school. Parents/guardians are responsible for notifying the before/after school site coordinator for any special needs or medical conditions that impact their child's health, well-being, or involvement in activities. If your child may need to receive either prescribed or over-the counter medications while attending before/after school programming, you must complete an authorization form before medication can be dispensed. **Medication must be in the original packaging or prescription bottle.** All medication will be securely stored on-site.

Does your child have any medical or special needs (i.e. allergies, asthma, learning disability or medical conditions)?

YES NO Please Explain: _____

Will your child require any medications during programming, including inhalers or EpiPens?

YES NO **If yes, a coordinator will be contacting you.*

Student Behavior

In order to promote a safe and engaging environment, Community Education, Youth Enrichment, a program of Minneapolis Public Schools, conforms to the established behavior policies of the school site and the Minneapolis Public Schools Behavior Standards and Code of Conduct (P5200). If an incident does occur, Community Education staff will notify and work with families to develop reasonable next steps for the safety of all students and staff. This may include suspension or removal from the program without a refund. If a student is suspended from the school day it is also a suspension from Community Education Youth Enrichment.

After School Activities Cancellation

In the event of inclement or severe weather, the district will decide whether to cancel after school programs. In the event of cancellations, your child's school will contact families and notice will be posted on mpls.k12.mn.us.

***When after school classes are cancelled your child will be sent home on their end of school day bus.**

Photo and Media Release

I give permission for my child to be **included in video or still photographs** representing Minneapolis Community Education Youth Enrichment. Photos/images may appear in newsletters, promotional brochures, and program websites.

Walking Field Trips

I understand that WALKING field trips within one mile of school grounds are a part of participating in Community Education programs. Necessary precautions and supervision will be provided.

Data and Survey Release

Certain data will be collected from and about participants in Community Education Programs Youth Enrichment. All data is considered private and confidential information. The intent is for Community Education, Youth Enrichment to evaluate program effectiveness and quality.

I give permission for my child to participate in informational surveys regarding the services provided by Minneapolis Community Education Youth Enrichment. All findings will be combined and reported group level. This could include the SAYO, class evaluations, focus groups, and teacher surveys.

Information may be shared with Minnesota Department of Education, school district officials, community partners, and **other person or entity authorized by federal or state law.**

If you do not give permission for any of the above policies listed above, please contact the Community Education Coordinator.

By signing, I certify that I have fully read, understand and will agree to the terms and policies outlined above. My child has my consent to attend Community Education extended day programs. I consent to my child attending and do not hold Special School District #1 (Minneapolis Public Schools) responsible or liable for accidents, or loss or damage of property.
