*** ONLINE APPLICATIONS:**

USE INTERNET EXPLORER ONLY with **Acrobat Reader DC** (get here <https://acrobat.adobe.com/us/en/acrobat/pdf-reader.html>). If you see some **red boxes** (required fields), you will know that **you have the correct requirements**. Complete the fields and click "submit" at the bottom of the registration form. If you have an app-based email, such as gmail, yahoo, hotmail, etc., once you click submit you will get a message that your email is **SAVED IN YOUR DRAFT FOLDER**. Go to drafts to send the email.

If using **SAFARI**, open the application at the link above. Complete the application, then "save" to your computer and email to summersession@mpls.k12.mn.us. If you choose to try the "submit" button at the bottom of the application, be sure you re-enter summersession@mpls.k12.mn.us in the "to" line in the body of the email.

CHROME is not ideal and requires extra steps. You are certainly welcome to try after you have downloaded Acrobat Reader DC. Remember that if you see red boxes, it is working! Download the application, complete, and email to the address noted above.

After you have downloaded Acrobat DC (see above for link), download the application. Complete the application and then "save as" to your computer. Email saved document to summersession@mpls.k12.mn.us.
